Our Tilt 145 Show Home is located at 221 Hannon Road, Cambridge, 3493

The open plan living and dining area boasts oversized stacker doors on two walls providing all-important indoor/ outdoor flow. The soaring ceiling, in this area, is accentuated by stunning timber-look paneling with LED strip lighting and the over-height ceiling and doors throughout the rest of the home add to the spacious feel of the interiors.

Commercial grade laminate flooring is used throughout with premium carpet in the bedrooms to add warmth and elegance, and the enviable ensuite and bathroom are fitted with quality European and New Zealand designed bathroomware.

With the main living at one end and bedrooms at the other, this home provides flexibility for narrower sites and those looking to maximise views at one end of their property – visualise cocktails on the deck overlooking a stunning sea view...But there's no need to dream about it, make the Tilt 145 home a reality for your family – pop in and visit the show home or get in touch with Elevate Homes today.

Note: The Tilt 145 show home includes some upgrades and additions to the standard Elevate Tilt 145 home. Contact Elevate Architectural Transportables or visit www.elevatehomes.co.nz for a specification list.
